By car from the A433 turn up Cherington Lane towards Cherington. Our woodyard is 0.5 miles up Cherington Lane. It is the first gate on the right. If you get as far as Cherington Forge or into Cherington itself you have gone too far. If you pull into a drive with a house on it you are at the wrong place. If you are coming from Cirencester Cherington lane is the second turn off the A433 signed to Cherington.

If coming by train, take a taxi from the Stroud train station which is 9 miles away.
